With regard to the Monterey area MLPAs:

As a diver, I'd like Package 2 to be designated the "Preferred Alternative".

If any other package is selected, please make modifications in the South Monterey Bay Area, and in the North Carmel Bay Area as follows:

Please establish the Captain Edward C. Cooper State Marine Reserve between the Breakwater and Lover's Point to a depth of 60 feet. Also establish an SMR from the Outer Pinnacles eastwardly, past Pescadero Point, to include Dali's Reef, the second most popular dive site next to the Pinnacles, in North Carmel Bay.

Thanks,

Roger
